### CALAIS GRANGE HELD FOURTH ANNUAL FAIR

First-Class Exhibition in Which There Was Much Interest—The List of Prize Winners.

The fourth annual fair of Calais grange, No. 387, was held at East Calais September 30. # Crawford Ranges

"I have used several makes of ranges but consider the **Crawford** the *best*. It uses less coal and gives a *more even heat* than any range I ever saw."

The **Single Damper** (patented) affords the *only* perfect control of fire and oven.

The **Oven** has no "cold corners" nor "scorching spots," because of the cup-joint heat flues.

The **Two Hods** in the base, one for ashes instead of the old clumsy ash pan, and one for coal, is a wonderful trouble-saving idea.

The high prices paid for pork make hog raising to-day more profitable than ever. But feed, too, has advanced and the up-to-date hog raiser has learned by necessity that Burlington Bone and Meat Meal is the best and cheapest hog fattener. Actual tests prove it. The Iowa Experiment Station test demonstrated conclusively that a ration of five parts corn and one part Bone and Meat Meal yielded over 34 per cent. greater profits than a ration of corn alone. Our Bone and Meat Meal is made of pure fine ground cooked meat and bone. It is wholesome and fattening because made from fresh materials and offered as soon as manufactured.
